

Faculty of Engineering**Subject Area: Aerospace Engineering**

Programme of Study	Accrediting Body	Frequency of Review
BEng Aeronautical Engineering	Royal Aeronautical Society & Institute of Mechanical Engineers	Reviewed every 4 years
BEng Avionics	Royal Aeronautical Society	Reviewed every 5 years
MEng (European) Avionics	Institution of Electrical Engineers	Reviewed every 3 years
MEng (International) Avionics	Institution of Electrical Engineers	Reviewed every 3 years
MEng Aeronautical Engineering	Royal Aeronautical Society & Institute of Mechanical Engineers	Reviewed every 7 years
MEng Avionics	Royal Aeronautical Society	Reviewed every 7 years

Faculty of Engineering**Subject Area: Civil Engineering**

Programme of Study	Accrediting Body	Frequency of Review
BEng Civil Engineering	Institution of Civil Engineers & Structural Engineers	Period of review varies depending on programme
BEng Civil Engineering with Architecture	Institution of Civil Engineers & Structural Engineers	Period of review varies depending on programme
BSc Environmental Design	Chartered Institution of Water & Environmental	Period of review varies depending on programme
MEng Civil Engineering	Institution of Civil Engineers & Structural Engineers	Period of review varies depending on programme
MEng Civil Engineering with Architecture	Institution of Civil Engineers & Structural Engineers	Period of review varies depending on programme
MSc Geotechnical Engineering	Institution of Civil Engineers & Structural Engineers	Period of review varies depending on programme

MSc Structural Engineering & Mechanics	Institution of Civil Engineers & Structural Engineers	Period of review varies depending on programme
MSc Water Resources Engineering Management	Institution of Civil Engineers & Structural Engineers	Period of review varies depending on programme

Faculty of Engineering

Subject Area: Electronic & Electrical Engineering

Programme of Study	Accrediting Body	Frequency of Review
BEng (International) Audio & Video Engineering	Institution of Electrical Engineers	New programme; to be determined
BEng Electronics & Electrical Engineering	Institution of Electrical Engineers	Reviewed every 5 years
BEng Electronics & Software Engineering	Institution of Electrical Engineers	Reviewed every 5 years
BEng Electronics with Music	Institution of Electrical Engineers	Reviewed every 5 years
BEng Microcomputer Systems Engineering	Institution of Electrical Engineers	Reviewed every 5 years
MEng (European) Audio & Video Engineering	Institution of Electrical Engineers	New programme; to be determined
MEng (European) Electronics & Electrical Engineering	Institution of Electrical Engineers	Reviewed every 3 years
MEng (European) Electronics & Software Engineering	Institution of Electrical Engineers	Reviewed every 3 years
MEng (European) Electronics with Music	Institution of Electrical Engineers	Reviewed every 3 years
MEng (European) Microcomputer Systems Engineering	Institution of Electrical Engineers	Reviewed every 3 years
MEng (International) Audio & Video Engineering	Institution of Electrical Engineers	New programme; to be determined
MEng (International) Electronics & Electrical Engineering	Institution of Electrical Engineers	Reviewed every 3 years

MEng (International) Electronics & Software Engineering	Institution of Electrical Engineers	Reviewed every 3 years
MEng (International) Microcomputer Systems Engineering	Institution of Electrical Engineers	Reviewed every 3 years
BSc (Hons) Computing Science	Institution of Electrical Engineers & The British Computer Society	Reviewed every 4 years
BSc (Hons) Software Engineering	Institution of the Electrical Engineers & The British Computer Society	Reviewed every 4 years
BSc Electrical & Software Engineering	Institution of Electrical Engineers & The British Computer Society	Reviewed every 4 years

Faculty of Engineering

Subject Area: Mechanical Engineering

Programme of Study	Accrediting Body	Frequency of Review
BEng (Hons) Mechanical Design Engineering	Institute of Mechanical Engineers	Reviewed every 4 years
BEng (Hons) Mechanical Engineering	Institute of Mechanical Engineers	Reviewed every 4 years
BEng (Hons) Mechanical Engineering – European Curriculum	Institute of Mechanical Engineers	Reviewed every 4 years
BEng (Hons) Mechanical Engineering with Aeronautic	Institute of Mechanical Engineers	Reviewed every 3 years
BEng (Hons) Product Design Engineering	Institute of Mechanical Engineers	Reviewed every 4 years
MEng (Hons) Mechanical Design Engineering	Institute of Mechanical Engineers	Reviewed every 4 years
MEng (Hons) Mechanical Engineering	Institute of Mechanical Engineers	Reviewed every 4 years
MEng (Hons) Mechanical Engineering – European Curriculum	Institute of Mechanical Engineers	Reviewed every 4 years
MEng (Hons) Mechanical Engineering with Aeronautic	Institute of Mechanical Engineers	Reviewed every 3 years
MEng (Hons) Product Design Engineering	Institute of Mechanical Engineers	Reviewed every 4 years

Faculty of Engineering**Subject Area: Nautical Architecture & Marine Engineering**

Programme of Study	Accrediting Body	Frequency of Review
BEng (Hons) Naval Architecture with Ocean Engineering	Royal Institution of Naval Architects (RINA) & Institute of Marine Engineering, Science and Technology (IMarEST)	Reviewed every 4 years
BEng (Hons) Naval Architecture & Offshore Engineering	Royal Institution of Naval Architects (RINA) & Institute of Marine Engineering, Science and Technology (IMarEST)	Reviewed every 4 years
BEng (Hons) Naval Architecture & Marine Engineering	Royal Institution of Naval Architects (RINA) & Institute of Marine Engineering, Science and Technology (IMarEST)	Reviewed every 4 years
MEng Naval Architecture	Royal Institution of Naval Architects (RINA) & Institute of Marine Engineering, Science and Technology (IMarEST)	Reviewed every 4 years
MEng Naval Architecture with Ocean Engineering	Royal Institution of Naval Architects (RINA) & Institute of Marine Engineering, Science and Technology (IMarEST)	Reviewed every 4 years
MEng Naval Architecture & Offshore Engineering	Royal Institution of Naval Architects (RINA) & Institute of Marine Engineering, Science and Technology (IMarEST)	Reviewed every 4 years
MEng Naval Architecture with Small Craft Engineering	Royal Institution of Naval Architects (RINA) & Institute of Marine Engineering, Science and Technology (IMarEST)	Reviewed every 4 years
MEng Naval Architecture & Marine Engineering	Royal Institution of Naval Architects (RINA) & Institute of Marine Engineering, Science and Technology (IMarEST)	Reviewed every 4 years

Faculty of Law, Business and Social Sciences
Subject Area: Business & Management

Programme of Study	Accrediting Body	Frequency of Review
Master of Business Administration	Association of MBAs	Reviewed every 5 years

Faculty of Law, Business and Social Sciences
Subject Area: Social Work

Programme of Study	Accrediting Body	Frequency of Review
MA (Hons) Social Work	The Scottish Social Services Council	Reviewed every 4 years
PgDip/Master Social Work	The Scottish Social Services Council	Reviewed every 4 years

Faculty of Law, Business and Social Sciences
Subject Area: Urban Studies

Programme of Study	Accrediting Body	Frequency of Review
Diploma Housing Studies	Chartered Institute of Housing	Reviewed every 4 years
MSc Housing Studies	Chartered Institute of Housing	Reviewed every 4 years

Faculty of Information & Mathematical Sciences
Subject Area: Computing Science

Programme of Study	Accrediting Body	Frequency of Review
BSc/MA Computing Science Combined	The British Computer Society	Reviewed every 4 years

Faculty of Information & Mathematical Sciences**Subject Area: Psychology**

Programme of Study	Accrediting Body	Frequency of Review
BSc Psychology Single Honours	The British Psychological Society	Reviewed every 5 years
BSc Psychology/Computing Science Combined Honours	The British Psychological Society	Reviewed every 5 years
BSc Psychology/Mathematics Combined Honours	The British Psychological Society	Reviewed every 3 years
BSc Psychology/Physiology Combined Honours	The British Psychological Society	Reviewed every 5 years
BSc Psychology/Statistics Combined Honours	The British Psychological Society	Reviewed every 5 years
MA (Socsci) Psychology Combined Honours	The British Psychological Society	Reviewed every 5 years
MA (Socsci) Psychology Single Honours	The British Psychological Society	Reviewed every 5 years
MA Psychology Combined Honours	The British Psychological Society	Reviewed every 5 years
MA Psychology Single Honours	The British Psychological Society	Reviewed every 5 years
MA Psychology Combined Honours Special	The British Psychological Society	Reviewed every 5 years

Faculty of Education**Subject Area: Educational Studies**

Programme of Study	Accrediting Body	Frequency of Review
MEd Professional Development and Enquiry	General Teaching Council of Scotland	Reviewed every 5 years
MSc Psychological Studies	British Psychological Society	Reviewed every 5 years
PgDip School Leadership & Management	General Teaching Council of Scotland	Reviewed every 5 years

Faculty of Education**Subject Area: Initial Teacher Education (Educational Studies)**

Programme of Study	Accrediting Body	Frequency of Review
BEd Music	General Teaching Council of Scotland	Reviewed every 4 years
BTechEd	General Teaching Council of Scotland	Reviewed every 4 years

Faculty of Education**Subject Area: Initial Teacher Education (Curriculum Studies)**

Programme of Study	Accrediting Body	Frequency of Review
BEd Primary	General Teaching Council of Scotland	Reviewed every 5 years
PGDE (Primary)	General Teaching Council of Scotland	Reviewed every 5 years
PGDE (Secondary)	General Teaching Council of Scotland	Reviewed every 5 years

Faculty of Education**Subject Area: Initial Teacher Education (Religious Education)**

Programme of Study	Accrediting Body	Frequency of Review
Additional Teaching Qualifications in Religious Education	General Teaching Council of Scotland	Reviewed every 5 years
MA in Religious & Philosophical Education	General Teaching Council of Scotland of Scotland	Reviewed every 5 years

Faculty of Medicine**Subject Area: Clinical Pharmacology**

Programme of Study	Accrediting Body	Frequency of Review
MSc (Med Sci) Clinical Pharmacology	Joint Committee on Higher Medical Training	Not specified

Faculty of Medicine**Subject Area: Clinical Physics**

Programme of Study	Accrediting Body	Frequency of Review
MSc in Clinical Physics	Institute of Physics & Engineering in Medicine	Reviewed every 5 years

Faculty of Medicine**Subject Area: Dentistry**

Programme of Study	Accrediting Body	Frequency of Review
Bachelor of Dental Surgery	General Dental Council	Variable

Faculty of Medicine**Subject Area: Developmental Medicine**

Programme of Study	Accrediting Body	Frequency of Review
MSc (Med Sci) Human Nutrition	Nutrition Society	Not specified

Faculty of Medicine**Subject Area: General Practice & Primary Care**

Programme of Study	Accrediting Body	Frequency of Review
Master of Primary Care	Royal College of General Practitioners	Not specified

Faculty of Medicine**Subject Area: Medical Genetics**

Programme of Study	Accrediting Body	Frequency of Review
MSc (Med Sci) Medical Genetics	Joint Committee on Higher Medical Training	Not specified

Faculty of Medicine**Subject Area: Medicine**

Programme of Study	Accrediting Body	Frequency of Review
MBChB	General Medical Council	Variable

Faculty of Medicine**Subject Area: Nursing and Health Care**

Programme of Study	Accrediting Body	Frequency of Review
BN	NHS Education for Scotland (for Nursing & Midwifery Council)	Reviewed every 5 years
MSc (Med Sci)Health Care	NHS Education for Scotland (for Nursing & Midwifery Council)	Reviewed every 5 years

Faculty of Medicine**Subject Area: Psychological Medicine**

Programme of Study	Accrediting Body	Frequency of Review
Doctorate in Clinical Psychology	The British Psychological Society	Reviewed every 4 years
MSc (Med Sci) / PgDip Clinical Neuropsychology	The British Psychological Society	Reviewed every 4 years

Faculty of Veterinary Medicine**Subject Area: Veterinary Medicine**

Programme of Study	Accrediting Body	Frequency of Review
BVMS	Royal College of Veterinary Surgeons (RCVS)	Reviewed every 7 years
BVMS	American Veterinary Medical Association (AVMA)	Reviewed every 7 years
BVMS	European Association of Veterinary Establishments (EAVE)	Reviewed every 7 years
